Final Premium										

A dash indicates the rating factor does not apply.

Multiply each rating variable. Final Premiums by coverage are rounded to the nearest dollar.

When changes are made during the term of the policy, the premium due is pro-rated.

* For UMPD Option C-1 multiply the UMPD C-1 factor by the 15/30 UMBI rate.

** UMPD C-2 coverage is a flat dollar amount depending on the collision deductible which applies.

*** For additional Loss of Use limits apply the necessary factors from the Loss of Use Coverages page in the Rating Rules Section of the filing rules.
